The Premiums received during the year were **£4,123,318**, being an increase of **£154,302** over the year 1904.

The Claims of the year amounted to **£1,812,618**. The number of Deaths was **7,437**, and **7,775** Endowment Assurances matured.

The number of Policies in force at the end of the year was **773,051**.

INDUSTRIAL BRANCH.—The Premiums received during the year were **£6,139,050**, being an increase of **£159,715**.

The Claims of the year amounted to **£2,261,748**. The number of Deaths was **238,220**, and **3,344** Endowment Assurances matured.

The number of Free Policies granted during the year to those Policyholders of five years' standing and upwards who desired to discontinue their payments was **123,586**, the number in force being **1,102,267**. The number of Free Policies which became Claims during the year was **24,698**.

The total number of Policies in force at the end of the year was **16,065,268**; their average duration is eleven years.

The Assets of the Company, in both branches, as shown in the Balance Sheet, are **£59,464,376**, being an increase of **£4,104,871** over those of 1904.

Since the completion of the Valuation the Actuary has reported that in his opinion a general increase of *two-and-a-half per cent.* could, with safety, be granted under the principal Industrial Branch Tables if provision were made for an increase in the liability of **£750,000**. The Board have accordingly revised the Tables as from 1st March, 1906, and have made provision to meet the increased liability by the transfer during the current year of **£750,000** from the Reserve Fund to the Life Assurance Fund in the Industrial Branch, leaving this Reserve Fund at **£1,000,000**. The Shareholders will be glad to know that this revision affects nearly Thirteen Million Policies, and of this number over Ten Million Policies receive an immediate increase in the sum assured.

Messrs. Deloitte, Plender, Griffiths & Co. have examined the Securities and their certificate is appended to the Balance Sheets.

D. W. STABLE, *Secretary.*

SUGGESTIONS FOR

"We must all welcome, therefore, such a volume as the *Speaker* Office has produced under the title of 'Towards a Social Policy.' It is full of hard thinking and solid information, and should be a mine for platform speakers.
—DAILY CHRONICLE.

"The book should be in the hand of everyone who loves his country. It is a lucid and comprehensive statement of the causes of the blight that is falling upon the race, and of the remedies to be applied."—DAILY NEWS.

"'Towards a Social Policy' decidedly 'gives us to think.' Its authors are doing the Liberal Party a notable service."—WESTMINSTER GAZETTE.

"They (the readers) will find within its hundred and twenty odd pages much keen diagnosis of existing evils, much outspoken criticism of the slipshod palliatives with which we have hitherto been content to attempt to meet them, and many bold suggestions—some very bold indeed—as to the direction in which the real remedies are to be found. They may not agree. They cannot fail to be interested."—MORNING LEADER.
